ELLIOT PILSHAW

"I've listened to, seen, and produced a lot of different men making alternative music, and I have to say that **Elliot's** concert was one of the highpoints of this scene for me. He really combined high quality, excellent, creative musicianship with a warm, politically conscious gay men's sensibility. There are many ears who need to listen to his music."

ROBBIE ROSENBERG, FILM-MAKER & PRODUCER

"Elliot's music sparkles with joy, conscience and commitment. I feel more hopeful knowing he is out there doing it."

GEOFF MORGAN

"It gives me great pleasure to see men like **Elliot** performing music that challenges the dominant culture they could so easily defer to. Songs of peace, of feminism, of gay and lesbian life and love. This world needs all the help it can get, and music is a powerful assistant."

HOLLY NEAR

"... the absolutely best, most inspiring, beautiful and uplifting gay men's music we've heard. Please make more of it for all of us!"

LAVENDER DOVE BOOKSHOP, KANSAS CITY

"**Elliot** has just what we need: warmth, spirit, and beautiful music. His performances build community, and are filled with pride and love."

BETSY ROSE

"As gay and lesbian people we are in the process of reclaiming our fullest identities, which is a real struggle in this culture. For me, **Elliot Pilshaw** is an excellent model of a person who celebrates his fullest identity—as a gay man, as a Jew, and as a creative, political artist."

ROBIN TYLER

"We were thrilled to produce **Elliot** in concert as a fundraiser for our organization. Talent, good looks, and gay. What a combination!"

MISSISSIPPI GAY ALLIANCE

"Having seen **Elliot Pilshaw** perform, I'd love to be able to say that he were my own son! The songs he sings are about real life. They tell the truth. His fine work makes us proud to be parents of lesbian and gay children."

ADELE STARR, PRESIDENT, NATIONAL FEDERATION OF PARENTS AND FRIENDS OF LESBIANS AND GAYS

"Full of wonder ... gay consciousness ... feminist ... environmentalist ... folklorist ... anti-war ... and pro-human. Who could ask for anything more, or even want to?"

MORRIS KIGHT, LOS ANGELES GAY ACTIVIST

Elliot Pilshaw tours the U.S. and Canada regularly, performing in concert halls, community centers, universities, conferences, workshops, pride celebrations, and a wide variety of community fundraising events. Find out when he will be in your area. For bookings, contact:
